Sir:

This paper is submitted in response to the Notice to File Missing Parts of Nonprovisional Application ("Notice") issued in the above-identified application on May 28, 2004. Applicants submit herewith a Combined Declaration and Power of Attorney ("Declaration") in compliance with 37 C.F.R. § 1.63. A copy of the Notice is also enclosed.

A response to the Notice was filed on December 16, 2004. The response included a Response to Notice to File Missing Parts of Nonprovisional Application, a continuation application and a processing and retention fee, pursuant to 37 C.F.R. §§ 1.78(a)(1)(iv) and 1.53(f), a copy of which is attached as Exhibit 1. These papers were filed with the belief that the Declaration would not be executed by December 28, 2004, the final due date for a response to the Notice. Attorney for Applicants have since obtained the executed Declaration from the inventors and submit the Declaration herewith in response to the Notice. Applicants believe that the payment of a processing and retention fee, accompanied by the filing of a continuation application, claiming priority to the present application, does not cause the express abandonment of the present application. In addition, in the Response to Notice to File Missing Parts of Nonprovisional Application filed December 16, 2004, Applicants made a request for an five month extension of time and enclosed the required fee as set forth in 37 C.F.R. § 1.17(a)(5). For the foregoing reasons, Applicants believe that the present application is currently pending and the submission of the present papers are proper.

Applicants also enclose the fee required for late filing of a Declaration pursuant to 37 C.F.R. § 1.16(e). If any additional fee is due, or if any overpayment has been made, in connection with the filing of this response, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 02-4377. A duplicate copy of this page is enclosed.

Respectfully submitted,

Sir:

In response to the Notice to File Missing Parts of Nonprovisional
Application ("Notice") mailed May 5, 2004 applicant submits herewith a processing and
retention fee pursuant to 37 C.F.R. § 1.53(f), as Attorneys for Applicant have been
unsuccessful in obtaining a signed Declaration. A continuing application which claims

priority under 37 C.F.R. § 1.78(a)(1)(iv) is being filed concurrently herewith and submitted under separate cover.

Applicant submits a processing and retention fee in the amount of \$130, set forth in 37 C.F.R. § 1.21(l), in lieu of a response to the Notice. A copy of the Notice is enclosed.

Applicants request a five month extension of time and enclose herewith the requisite fee in the amount of \$1,080.00 as set forth in 37 C.F.R. § 1.17(a)(5). Applicants do not believe that any additional fee is required in connection with the submission of this document. However, should any fee be required, or if any overpayment has been made, the Commissioner is hereby authorized to charge any fees, or credit or any overpayments made, to Deposit Account 02-4377. A duplicate copy of this sheet is enclosed.
